Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0/Individual or \$0/Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	No	You don't have to meet <u>deductible</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$4,250/Individual or \$8,500/Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://www.senderohealth.com/db search/menu_new/ or call 1-844- 800-4693 for a list of <u>network</u> providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance</u> <u>billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
