

IDEALCARE ERA & EFT Process Effective 1/1/17

Beginning 1/1/2017, please note the below changes to ERA and EFT for IdealCare providers.

- **ERA** - If your organization was enrolled in ERA through Change Healthcare prior to 12/31/16, IdealCare is working with Change Healthcare to continue this same functionality with an anticipated April 2017 implementation date. If you do not wish to wait until the April 2017 transition, IdealCare highly encourages you to re-enroll for ERA by completing a new ERA enrollment form found at the link below. New ERA enrollment is through Relay Health.

If you were not enrolled in ERA for IdealCare prior to 12/31/16, you must complete a new ERA enrollment form found at the link below. New ERA enrollment is through Relay Health.

- **EFT** – If your organization was enrolled in EFT for IdealCare prior to 12/31/16, your current EFT set-up will continue as usual. If you were not enrolled in EFT for IdealCare as of 12/31/16, you must complete a new EFT enrollment form found at the link below.
