

2024 Plan Brochure

Sendero offers access to one of the largest networks of local physicians to make sure you get the care you need.

Sendero is here to provide coverage for the most important person . . . you!

With new Silver plans, even lower costs, and people-first benefits in 2024, choose the perfect coverage that fits your needs. You may even qualify for tax credits to lower your monthly premium and out-of-pocket costs like deductibles and copays.

Coverage includes doctor visits, hospitalization, maternity care, emergency room care, and prescriptions.

You qualify for Sendero if you have no health insurance and live, work or reside in Travis, Hays, Bastrop, Burnet, Lee, Caldwell, Fayette, or Williamson counties.

Sendero Health Plans is offering coverage through the Health Insurance Marketplace. The marketplace promises fair treatment for patients.
