| What is not included in the out-of-pocket limit ? | Premiums , balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |

See https://senderohealth.com/physician_search/ or call 1-844-800-4693 for a list of network providers . | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
