## More Information About Balance Billing

You cannot be billed by an Out of Network Provider for amounts other than the copay, deductible, co-insurance, and other amounts included in that total according to the terms of your plan. Sendero reimburses the physician or provider at the contracted rate or at the usual and customary rate for the service received. If you receive a bill from an in-network or out-of-network physician or provider for the amounts beyond the amount paid by Sendero or the amount you are responsible for, you should contact Sendero at 1-844-800-4693.

## How to Choose Your Primary Care Provider (PCP)

A primary care provider is the main doctor, nurse, or clinic that gives you most of your routine and preventive health care. Sendero by Sendero Health Plans works with many PCPs in your neighborhood. You must choose a PCP for each member of your family. If no ⚕ is seen, then you may choose that PCP. If the listing for a PCP says "EO" ("Existing Only"), then you can only choose them if you are already a patient of that PCP. If the listing for a PCP has the ⚕ indicated, that PCP is not accepting any new patients. The PCPs are listed by city and then by type of doctor. You can choose from these types of PCPs:

- ★ Pediatricians (*these PCPs see children only*)
- ★ General or Family Practice / Medicina Familiar (*these PCPs can see all members of your family*)
- ★ Internal Medicine / Medicina Interna (*these PCPs see members who are 18 years old and above*)
- ★ Clinics (*these places usually have many doctors who can see all members of your family, so you may not always see the same doctor or doctor assistant*)

## Como elegir a un proveedor de cuidados primarios (PCP)

Un proveedor de cuidados primarios es el médico, el enfermero o la clinica principales que le brindan la mayor parte de la atención médica preventiva y de rutina. Sendero de Sendero Health Plans trabaja con muchos proveedores de cuidados primarios de su vecindario. Usted debe elegir un proveedor de cuidados primarios para cada miembro de su familia. Si no  aparece el simbolo, puede optar por ese proveedor de cuidados primarios. Si aparece la sigia "EO" ("solo pacientes actuales"), puede elegirlo unicamente si ya es paciente de dicho proveedor de cuidados primarios. Si aparece  el simbolo, ese proveedor de cuidados primarios no acepta nuevos pacientes. Los proveedores de cuidados primarios están ordenados, primero, por ciudad y, luego, por tipo de proveedor. Puede optar por los siguientes tipos de proveedores de cuidados primarios:

- ★ *Pediatría (estos proveedores de cuidados primarios atienden unicamente a ninos).*
- ★ *Medicina general o familiar (estos proveedores de cuidados primarios pueden atender a todos los miembros de su familia).*
- ★ *Medicina interna (estos proveedores de cuidados primarios atienden a miembros a partir de los 18 años).*
- ★ *Clinicas (estos lugares suelen contar con muchos medicos que pueden atender a todos los miembros de su familia, por to tanto es posible que no vea siempre al mismo medico o asistente medico).*
