Drug, Alcohol or Substance Abuse	HIV/AIDS

Please Note: There are limitations to the amount of information we are able to share with others in regards to your account. Note to parents: these limitations may not affect the legal rights you have to access your child's information by other means, like contacting your child's primary care physician.

HIPAA STATEMENT:

This form is intended for use in complying with the requirements of the Health Insurance Portability and Accountability Act and Privacy Standards (HIPAA) and the Texas Medical Privacy Act. Covered entities may use this form or any other form that complies with HIPAA, the Texas Medical Privacy Act, and other applicable laws.

Covered entities, as the term is defined by HIPAA and Texas Health and Safety, must obtain a signed authorization from an individual or the individual's legally authorized representative to disclose that individuals Protected Health Information (PHI).

The Authorization provided by use of the form means the organization, entity or person authorized can disclose, communicate, or send named individuals PHI to the organization, entity or person identified on the form, including through use of any electronic means.

SIGNATURE AND AUTHORIZATION:

I have read this form in its entirety and agree to the uses and disclosure of the information as described. I understand that refusing to sign this form does not stop disclosure of PHI that has occurred prior to revocation or that is otherwise permitted by law without my specific authorization or permission, including disclosures to covered entities.

permitted by law without my specific authorization or permission, including disclosures to covered entities.

Date signed is the effective date of this authorization

SIGNATURE:

Signature of Individual or Individual's Legally Authorized Representative

Printed name of legally Authorized Representatives (if applicable):

A minor individual signature is required for the release of certain types of information, including for example, the release of information related to certain types of reproductive care, sexually transmitted diseases, and drug, alcohol, or substance abuse, and mental health treatment:
