Glossary Of Health Coverage:

Premium: The amount that must be paid for your health insurance or plan. You will need to pay it monthly by the first of each month.

Co-payment: A fixed amount (Example: $15.00) you pay for a covered health service usually when you receive the service.

Deductible: The amount you need to pay for health care services you receive before your health insurance begins to pay.

Co-insurance: Your share of the costs of a covered health care service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay coinsurance plus any deductibles you owe.

Out-of-Pocket Maximum: The most you pay during a policy period per calendar year before your health insurance pays 100% for covered health benefits. The services are based on the calendar year or healthcare/exchange plan year.

Find a Provider

Where can I find a provider (doctor/specialist/hospital/urgent care clinic)?

- Visit https://www.senderohealth.com/idealcareeng/providers.html to find In-Network providers or hospitals. You can also contact Customer Service at 1-844-800-4693 for assistance.
- You will need to choose an In-Network doctor as your Primary Care Physician (PCP). Once you have decided on a PCP, you can contact Customer Service to assign the PCP of your choice and order a new ID Card with the change. You can also select a PCP assignment in the Member Portal.

You must obtain services from an In-Network Provider. Your plan does not offer any Out of Network benefits.

If you need to visit an Emergency Room, go to an In-Network hospital within the IdealCare Service area. The IdealCare service area includes the following counties: Travis, Hays, Bastrop, Burnet, Lee, Caldwell, Fayette and Williamson.

If you receive Emergency Services at an In-Network Facility and you receive a balance bill from a non-network facility based physician, or other health care practitioner for Emergency Services, please contact Member Services at 1-844-800-4693. You should not be balance billed for Emergency Services received at an In-Network Facility. You may be required to submit a copy of the itemized billing statement for investigation purposes.

If you are outside of the IdealCare service area and experience an emergency you should go to the nearest Emergency Room.
